

CONGRATULATIONS

It is very pleasing that every month I want to congratulate members who have achieved. Once again Bev Baker has been selected in the State Team with a trip to Adelaide in the offing.

Ashley Schultz won all his games at the League Round Robin and was selected in the Zone team as a skipper.

Ron & Carol Klanjeck along with Margaret Murphy and myself came third in the Capel Mixed Fours after Xmas.

Peter & Robbie Lenane played in the AER Mixed Fours Challenge at Gosnells in a 'sets' competition and missed out on the finals on a count back.

Congratulations to all these people for their successes.

YOUR CLUB NEEDS YOU

Maurie Gell has been our sponsorship co-ordinator for twenty nine years now and has had enough. He will not take on the job next year. We need someone to take over this important work. Without sponsors we will be playing just for fun. No money prizes!! We need someone to continue the contacts Maurie has made on behalf of the club and perhaps make a few new ones. Think about: without sponsors there are no money prizes.

HALL HIRE

We now have a pamphlet detailing the Hall Hire, Facilities and Social Activities available at the club for outsiders to use. If you think of anyone who could be interested in using our facilities ask at the office so the pamphlet can be sent out.

B GREEN CLOSED

Due to it's constant use B green will be closed for practise only for the next month to give it a breather.

VISITING COMPETITIONS

This Sunday will see both Railways and Scroungers hosting visiting players so a good rollup is hoped for. If you can't play all day with the Railways consider a game of Scroungers

USING OUR SPONSORS

We encourage members to use our sponsors and tell them they are from the bowling club. However if you are going to shop around it's a good idea to not reveal your affiliations until after you have done a deal as we don't want to upset our sponsor when you decide to go for a cheaper deal than they can offer.

UPGRADES

Take a look when next you put your name in for a competition. The match office is undergoing some much needed TLC. House

Co-ordinator Colin Nelson has already given it a coat of paint and it will shortly have new carpet.

Some awnings will be placed over the Ladies Lounge windows and adjoining match office window to protect the new furniture and carpets.

ENTERTAINMENT

Highlighting the forward thinking of our committee the club is considering purchasing a juke box for hire to people hiring the hall. Estimates show it should pay for itself in a year and then be making profits.

AUSTRALIA DAY

After the great success of the Xmas Breakfast when over 60 people turned up for brekky and scroungers Ann Rhea is organising a sausage
