

CONGRATULATIONS

Our only successes this month were Eileen Trantham and Margaret Murphy who came third in the Vic Park Classic Pairs.

Neville Johnson, Evan Blechynden, Bob Jenkins and Mal Campbell took a day prize at the Manjimup Men's Fours where they won all their games on the first day. They were bought for a good price in the Calcutta that night but couldn't vindicate the bookies interest. As carnival time is now upon us we look forward to reports of more victories by Bunbury teams.

Members may be interested to know that frequent visitors to the club Darren Kellond, Ian Cartledge and Rob Bowron were runners up in the State Triples.

NEW SECRETARY

Our secretary Raylene Dranczuk has resigned due to ill health. Raylene put every effort into the job and we appreciate her hard work. We hope to see her back on the green very soon.

My daughter Naomi Morgan expressed a keen interest in the job as she is now an at-home new mother. She will take over until the AGM when we will be looking for new office bearers. If you see a fair haired young lady with a baby around the club make yourself known as they will probably be Naomi and Logan.

ANNUAL GENERAL MEETING

The Annual General Meeting will be held on the first Sunday in May which is not that far off if you want to make any changes to the club administration. Changes to the Constitution have to be thought about and posted on the notice board for members to discuss. I am thinking of eliminating all the work that goes in to organise the AGM by making it possible to notify members with a sign in the clubhouse and a notice in the paper. Other clubs do this and it would save a lot of work and money sending out notices in the mail most of which simply end up in the bin.

SPONSORSHIP

Those of you who turned up for a mixed fours recently will know Lighthouse Realty had withdrawn their sponsorship. Peter Lenane contacted the principles and persuaded them to re-instate it for next year. Thanks Pete. So if you are contemplating a house sale or purchase, have a word to Peter Lenane for some good advice. Recent sponsorship negotiations have made me realise that direct connections are essential in getting sponsors. If you think your old business or employers could be worthy of an approach please let us know.

EMAIL COMMUNICATIONS

Many of you have your dividend or superannuation statements sent via email these days. you can do your banking via the internet. How do you feel about getting your bowling club notices and newsletters via email? This is the modern way to go but we
